It's **EASY** to use! We have designed the MM1 software for the computer novice!  
It comes with an easy to follow Manual and help screens.

## **HERE'S WHAT SOME OF THE 800 + USERS ARE SAYING.**

*I can bill my Skip accounts on a regular basis and send them a professional looking Statement. Collections have more than doubled on accounts that I have previously written off!*

*Texas*

*I've been in the Tool business 15 years. I couldn't go back to hand writing receipts and spending hours on the reports. I don't know how I did without a computer for so long. I can't imagine being in the tool business without this Management tool.*

*Oklahoma*

*As a district manager, I strongly recommend my dealers use the MMI tool software. They have a better control of their business and spend less time doing paperwork.*

*Oklahoma*

*Your feature rich program is wonderful. Thanks for the great job!*

*Virginia*

*I had never touched a computer before I decided to order the MMI software. With the easy to follow manual and help screens, I was up and running in a week and will never be without a computer again.*

*Pennsylvania*

## HOW DO I GET THE MM1 TOOL SOFTWARE?

Use our convenient Service Contract: An open end service plan which includes, use of MM1, price updates, program updates and unlimited software\* support! Our full time phone support staff is the finest and it's included in the monthly service contract.

The fee for the service contract is \$50.00 per month. To get started we need your first month's fee and a one time \$100.00 set up fee. (Don't forget to order a case of Toolbox Logo invoice paper, Credit Card Reader, Bar Code Scanner and Price Labels!)

Pre-printed invoice	\$ 61.95 per case (incl. shipping)
Price/Bar code Labels	\$ 38.00 per 6000 (incl. shipping)
Bar Code Scanner (2D)	\$275.00 (incl. shipping)
Credit Card Reader	\$110.00 (incl. shipping)
